v.1 //

          C                  Em          D      G  
He broke my chains and set me free  
          C                  Em          D  
My God is bigger than the fears I see  
G          C                  Em          D  
And my hope is found constantly  
G      C  
In His love  
Em   D      G  
In His love

pre chorus //

          c                                  D  
My heart and soul will sing  
                                  Em  
To my God my King  
                                  Bm  
He has captured my heart

chorus //

          C                                  D  
His love is all that I'll ever need  
          Em                                  G/B
