## **Verse 1 //**

My heart was heavy  
My soul was broken  
But You were watching  
I heard You call me

While I was drifting  
Your hand, it caught me  
Out of the ocean  
Into Your safety

## **Pre Chorus //**

You wrapped my world in arms of golden light  
When I laid my heart down, laid it on the line

## **Pre Chorus 2//**

Take it all, make it beautiful  
Cover me with Your love  
Take it all, make it beautiful  
Cover me with Your love

## **Chorus //**

I will follow, I will follow You  
I will follow, I will follow You

## **Bridge //**

The road is clear  
I'm letting go  
Hands of the wheel  
Take all control  
Only Your direction  
Only Your direction
