## **Verse 1 //**

Every sunrise, every day  
When the daylight starts to break we'll praise You

## **Verse 2 //**

Oceans roar and mountains quake  
They know Your name, they know Your face  
And they praise You

## **Verse 3 //**

We join together in one accord  
We lift our voice to You O Lord  
And we'll praise You

## **Pre Chorus //**

We sing, sing, sing out loud  
With all we are we're crying out

## **Chorus //**

There is none like You our King  
Crowned in glory, robed with majesty  
Forever we will praise You

## **Verse 4 //**

We lift Your name in all the earth  
Telling of Your endless worth forever

## **Verse 5 //**

We give our lives in sacrifice  
To see Your name be glorified forever
