## **Verse 1** //

With power and love our God reigns  
There's none like Him, in all His majesty  
So here in His sight we lay down, all our lives  
Before the King

## **Chorus** //

To our God, King of Kings be the glory  
For He alone is worthy of the highest praise  
To our God, King of Kings be the glory  
There is nothing our God cannot do

## **Verse 2** //

From heaven to earth Jesus came  
One sacrifice to set the captives free  
And nothing compares to His love  
It's unconditional, love unconditional

## **Bridge** //

If God is for us who can be against us  
Above it all, the cross prevails
