Verse 1 //

Holy are You Lord
And worthy to be praised
Your glory fills the heavens and the earth
All throughout creation
Your majesty displayed
We stand in awe, in light of who You are

Chorus //

Magnificent is the Lord our God

Verse 2 //

You're seated on the throne
Clothed in rays of light
You're glorious in wisdom and in strength
Nothing can compare to
The wonders of Your love
Let all the earth erupt with praise to You

Bridge //

You numbered the stars
You painted the sky
You laid out the earth
You parted the seas
You conquered the grave
You know me by name
You are my God, my Lord and Friend
