## **Verse 1 //**

There is no greater love  
Your life took the place of my own  
In silence You carried the wrongs  
Rightfully mine, but washed clean by Your blood

## **Verse 2 //**

In death You buried sin  
Bore every disease  
In victory You rose again  
You hold the keys to life and death  
And at the cross You paid my debt

## **Chorus //**

Hallelujah  
Hallelujah

There is freedom  
Written in His scars  
Our victory is won  
In the name of Jesus
