## **Verse 1**

We see You now  
Covered in light  
Eyes like a burning fire  
Emmanuel  
Heaven on earth  
Walking with us

## **Pre Chorus**

Our spirits come alive  
As the tide begins to rise

## **Verse 2**

We know Your love  
Stronger than death  
Deep as the ocean floor  
We hear Your voice  
It comes like the wind  
Speaking to us

## **Chorus**

We get carried away  
By Your love and by Your grace  
Carried away  
By Your presence here today

## **Bridge**

The river's wide enough  
And the rivers deep enough to carry us

♩ = 72
