Verse

I will be still
And know You are my God
My heart will wait
My heart will wait

Pre-Chorus

When I stop
When I stop
You begin to move

Chorus

I know love
I know Joy
It's stronger than
Stronger than
Anything I've known

Bridge

You are in the brightness
You're light in the dark
You are in the moment
That will forever last

♩ = 85
