## **Verse**

It's on the quiet that You speak to me  
Turn up as a melody  
I hear You singing over me  
Your love for me is jealousy  
I will seek You constantly  
Silencing the clamor in my head

## **Chorus**

I find You here  
In the secret place You draw me near  
I find You here  
In the secret place Your voice is clear  
How wide, how deep is this love  
That carries me straight to Your heart
