## **Verse**

Sun is rising, send Your light  
God open up the skies  
I want to touch eternal life  
Sun is setting, stay with me  
My heart has fallen closer  
To Your love that won me over

## **Pre chorus**

You're the creator, You're the king  
Your hands are holding everything  
You're my brother, You're my friend  
Holding me until the end

## **Chorus**

A thousand hallelujahs  
As Your rain pours down upon us  
Yeah You turn it all around  
A thousand hallelujahs  
As Your love pours out upon us  
Yeah You turn it all around

## **Bridge**

Hallelujah  
Hallelujah  
Set my world on fire  
Set my world on fire
