Verse

Oh God, there's a whisper in my soul
Telling me I can't let go
So I'm holding on to You
Your word it is written on my heart
Breathing life into my core
So I'm holding on to You

Chorus

Now I know that hope's alive
I found my life in Jesus Christ
My heart is Yours and Yours alone

Bridge

It's love, it's Your love that overtakes me
It burns like a fire, deep within my heart
It's love, it's Your love that overwhelms me
Like wind, like the tide, it's rushing through my soul
