Verse 1

Jesus Christ
Son of God
King of kings
Be lifted high
When I was lost
You rescued me
Oh gracious one
You're all I need

Chorus

I hear You calling me
So I'll come running
Jesus my Saviour
There's none like You
I hear You calling me
So I'll come running to You

Verse 2

Jesus Christ
Lord of all
Holy one
I worship You
When I am weak
You are strong
Salvation's found
In You alone

Bridge

And I'll run into Your courts
With open arms I'll come
Your voice is calling me
I heard You knocking on my heart
And my life wont be the same
Cause I am forever changed
Your spirit's guiding me
It's leading me home
