A very big mahalo to all of the Mediation Center’s supporters and friends who contributed so generously throughout 2015. Thanks to your support, 2015 ended on a positive note and we are off to a great start in 2016! While we said farewell to dedicated staff members in 2015, we have a wonderful new Team to support our growing services in 2016. The MCP Team includes: Candace Carrillo - Receptionist; Tabitha Prater - Administrative Assistant; Christa Otake - Kupuna Pono Coordinator; Shawn Quapaw, Iyori Kashiwada and Sherry Fieser - Client Services Specialists; Nathan Nikaido - Mediator Manager; Jessica Stabile - Deputy Director; and Tracey Wiltgen - Executive Director.

We are grateful to the Davis Levin Livingston Charitable Foundation and the Friends of Hawaii Charities whose support enabled MCP to assist even more people to talk, negotiate and resolve conflict creatively. Thanks to their support and the dedicated mediators and neutrals who faithfully volunteered their services throughout the year, approximately 5,000 people negotiated creative solutions to their conflicts. A total of 1,808 cases were managed and 51% of the mediated and facilitated cases resulted in customized written agreements and plans to meet the unique needs of the participants.

Thanks to the support of the Atherton Family Foundation, Hawaii Community Foundation, the Michael Nauyokas Innovation and Excellence in Mediation Fund, and the Earl and Margery Chapman Foundation, a new cloud-based case management program was created and went live on July 1st to manage the growing number of cases and a new cloud-based fund development system was incorporated into operations to support fund development initiatives and improve efficiency overall. Together these advancements are helping the staff to better serve the Mediation Center’s clients.

And finally, the Mediation’s committed Board of Directors participated in a one-day strategic planning session on November 7th lead by facilitator Linda Colburn. The outcomes of the session are currently being incorporated into a Strategic Plan that will guide the Mediation Center over the next three years. Initiatives big and small are included in the Plan to sustain the future of the Mediation Center and to ensure that Hawaii’s
Volunteers Going Above and Beyond

The Annual Recognition Gathering was held on December 11th to say thank you to the volunteers and supporters who gave so generously of their time and financial resources throughout the year and to extend a special recognition to those volunteers who truly went above and beyond. The Board of Directors and staff are grateful to all!

STRATEGIC PLANNING IN ACTION

Following weeks of gathering information from various stakeholders and strategizing over process details, facilitator Linda Colburn lead the Board through a one-day strategic planning process. The final Plan will be implemented at the start of Fiscal Year 16-17. MCP is fortunate to have a committed Board of Directors who give so generously of their time and talents.

WHAT’S COMING…

Don’t forget to check out MCP’s new website at www.mediatehawaii.org It will continue to be improved and updated over the next month.

Thanks to the support from the Harry & Jeanette Weinberg Foundation, the Bretzlafl Foundation and the Charles H. Hurd Memorial Fund for Kupuna Pono, the Kupuna Pono Program is continuing to grow. To promote the Program and increase community awareness about the value of family conferencing, mediator Leo Hura is producing a video. Christa Otake has also been organizing public outreach with a group of the Kupuna Pono facilitators and mediators. Through these efforts, more families will learn about the opportunity to participate in a family conference or mediation to better support the needs of their Kupuna.

The Program and Quality Assurance Committee has been reviewing programs to ensure high quality services are provided for all. To strengthen the Divorce and Child Custody Mediation Programs, couples will soon be required to complete and submit a draft Parenting Plan, Asset & Debt Statement and Income & Expense Statement, prior to participating in a mediation session. This new policy will help the couples better prepare for the mediation process, as well as provide the mediators with more insight into how far apart the couples are in working towards agreement. Workshops for the staff and mediators on the implementation of this new policy will be conducted over the new few months.
