

THE ESSEX HORSE TRIALS GRANT ADMINISTERED BY THE USEA FOUNDATION

The Essex Horse Trials Grant is available to a Developing Rider aged 25-and-under who is competing successfully at the CIC3* level and above and who is working towards representing the U.S. in international team competition. The grant is intended to assist the recipient in developing the essential horsemanship skills required for a successful transition from the Young Rider ranks to the Senior Rider ranks. The grant may be used for expenses related to equestrian education, coaching, training, and competing.

On behalf of the representatives of Essex Horse Trials, the USEA Foundation will administer the processes of the grant's intent. Eligible riders will be in good standing with the USEA. The rider's performance at the CIC3* level and above during the 2017 competition season will be reviewed by the Essex Horse Trials Grant Committee when making the final selection.

The Essex Horse Trials Grant will be awarded at the USEA Annual Meeting in December each year.

Funds must be used within the calendar year following receipt of the grant and riders must keep complete accounting records and receipts for all funds used and submit these to the USEA Foundation by November 30 of that year. Any funds used for inappropriate activities must be repaid to the Essex Horse Trials Grant care of the USEA Foundation. The recipient will be required to prepare a report on how the grant has benefited him/her during the year.

No grant may be conferred upon or inure to the benefit of a member or relative of: (a) the USEA staff, Board of Governors or Committee Chairs; or (b) a member of any Area Council of the USEA (their relatives are eligible if the member in question is completely removed from the process of identifying the grant recipient(s)).

2017 ESSEX HORSE TRIALS GRANT

For riders 18-25-years-of-age who will be competing at the CCI3* level in 2017

REQUEST FOR CONSIDERATION

(Please submit by September 1, 2017)
