Lesson Title:

Oklahoma 66 Must See Attractions

Mapping famous attractions on Route 66 in with the Oklahoma Giant Map

Denise Aguilar, OKAGE TC, Lawton, Oklahoma

Grade Level:

6-7

Purpose/Objective:

Students will discover the Mother Road, Route 66 by analyzing the history of the road, while specifically identifying locations of 10 must see attractions on the Oklahoma portion on the giant state map of Oklahoma. They will discover the importance of each attraction and select a specific one to create a presentation on.

National Geography Standards from *Geography of Life*

Geographic Elements & Standards:

The World in Spatial Terms – 1: The geographically informed person knows and understands how to use maps and other geographic representations, tools, and technologies to acquire, process and report information from a spatial perspective.

Places and Regions - 4: The physical and human characteristics of places.

The Uses of Geography - 17: How to imply geography to interpret the past.

Oklahoma C3 Social Studies Standards

Grade 6 World Studies

1.2 – Identify, evaluate and draw conclusions from different kinds of maps, graphs, charts, diagrams, timelines and other representations, such as photographs and satellite-produced images or computer-based technologies.

Grade 7 World Geography

1.3 – Construct and use maps, globes, graphs, charts, models, and databases to analyze spatial distributions and patterns.

6.1 – Evaluate and draw conclusions from different kinds of maps, graphs, charts, diagrams, and other sources and representations (e.g. aerial and shuttle photographs, satellite-produced images, the geographic information system (GIS), atlases, almanacs, and computer-based technologies).

Geographic Themes:

Location, place, and human environment interaction

Objectives:

1. Students will locate the Mother Road, Route 66, on a U.S. map and specifically locate the route on the giant state map of Oklahoma.
2. Students will plot the cities and categorize and map attractions on Route 66 specifically for Oklahoma on a state map worksheet and on the giant state map.
3. Students will discover the importance of these cities and attractions for Route 66 today and in the Mother Road's heyday.
4. Students will use critical thinking skills to determine that factors of why changes occurred on the Mother Road while viewing Disney's Pixar movie CARS.
5. Students will select one of the famous attractions on Route 66 in Oklahoma and create a poster project to explain the history and importance of their attraction to Route 66 in Oklahoma.

Materials:

1. National Geographic OKLAHOMA Giant Map & Materials
2. Computer with internet access
3. Projector and Screen
4. Post-it Easel
5. Map of Route 66 (U.S.)
6. Get your Kicks Worksheet
7. Pictures of top 10 attractions on Route 66 in Oklahoma
8. Map of Oklahoma
9. Disney Pixar Movie – CARS
10. CARS Movie Questions
11. Poster Board
12. Colored Pencils/Markers
13. Pencil

Time Frame:

2 class periods

Procedures:**Day 1**

1. Ask students to state things they know about Route 66, also known as the Mother Road. List on the board/Post-it easel.
2. Inquire if any student can name where Route 66 began and ended prior to displaying the Route 66 map (U.S) on the projector.
3. Display the history of Route 66 - <http://national66.org/history-of-route-66/> OR watch YouTube video "Historic 66" <https://www.youtube.com/watch?v=X9ZcHhhdDnY> and discuss.
4. Hand out the Route 66 city identification worksheet and complete with students while discussing the cities on the map. Ask students to complete without the map first and then re-display the map noted in #2 if necessary, Are some cities more important than others? Why or why not?

5. Guide students to the giant state map of Oklahoma and have volunteers use the chains and cones to map Route 66 in Oklahoma.
6. Ask students to name any of the famous attractions on Route 66 in Oklahoma they know. Be sure that the following 10 attractions are identified and have a student volunteer hold a picture of each attraction as it is named on its location on the giant map:

[Round Barn](#) (Arcadia) **Historic Site**

[Conoco Hole in the Wall](#) - photo below (Commerce)

[Route 66 Museum](#) (Clinton)

[Ribbon Road - Sidewalk Road](#) - photo below (Miami to Afton)

[Coleman Theatre](#) (Miami) **Historic Site**

[Dairy King](#) (Commerce)

[Rock Café](#) (Stroud) - photo right **Historic Site**

[Blue Whale](#) (Catoosa)

[The World's Largest Totem Pole](#) (Foyil) **Historic Site**

[Brick Paved Broadway Street](#) (Davenport) **Historic Site**

Day 2

1. Review the location of Route 66 (U.S.) and in Oklahoma on the giant state map along with the 10 must see attraction on the Mother Road in Oklahoma.
2. Hand out an Oklahoma map with Route 66 on it. Have students locate the 10 must see attractions on their map while showing each on the projector using the Route 66.com website: <http://www.theroute-66.com/state.html#oklahoma>.
3. Take notes on the Oklahoma 66 Must See attractions worksheet as they are being discussed.

Assessment:

1. Create an advertisement poster for ONE of the 10 must see attractions on Oklahoma 66. Students will need to make an attractive display on why people should visit their attraction while telling the importance of it to Route 66.
