

Brigadoon Children's Camp Society

Kitchen Staff – Cook

ORGANIZATION DESCRIPTION

Brigadoon Village is an 8.5 million dollar, state of the art year-round recreation facility located in the Annapolis Valley, NS. We offer programs to children, youth and families living with a chronic illness, condition or special need. Our beautiful kitchen facility creates healthy food for the groups we have that stay on site for day, overnight and week-long programs. We accommodate the large variety of dietary needs, allergies and alternatives for our campers to have a safe and fun camp experience. Food is the heart of the camp experience at Brigadoon and we work hard to ensure it is exceptional. Due to the extraordinary growth we have experienced over the years since opening our doors we are expanding and hiring passionate kitchen personnel to join our team.

POSITION DESCRIPTION

The Cook position at Brigadoon Village is an opportunity to expand your culinary knowledge in the field of specialized diets and food restrictions. The Brigadoon Kitchen has built a reputation for preparing delicious meals that take into consideration the complex dietary needs of many of their clients. As a Brigadoon Kitchen Team Member you will learn extensively about gluten free diets for Celiac Disease and a gluten free lifestyle. Other medical based diets that The Brigadoon Kitchen Team creates include Crohn's and Colitis, Diabetes, Anaphylaxis, and Kidney Disease. You will also learn about using alternative products and methods to create exciting meals for dietary restrictions such as dairy free, egg free, and soy free. Not only will you learn about how to develop and delivery nutritious and safe food for a variety of dietary restrictions, but you will also get to cook for extraordinary kids! Being part of the kitchen team at Brigadoon is a life changing experience.
