## EXPERIENCE & INVOLVEMENT

### Deloitte (US – New York)

*Incoming Risk and Financial Advisory Intern*

New York, NY  
Jun. 2018 – Present

- Assist a team of Deloitte Analytics professionals in providing business solutions and valuable insight through the use of analytical tools and techniques.
- Work with a team of Cyber Risk professionals to assist clients with the implementation of Cyber Security solutions.

### Future Leaders Foundation

*Talent Advisory Council Member*

New York, NY  
Jan. 2018 - Present

- Review applications from students worldwide for acceptance into the Future Global Leaders Fellowship, and regularly advise the Foundation on methods to enhance recruitment.

### Deloitte (US – New York)

*Pioneer Intern*

New York, NY  
Jun. 2017 – Aug. 2017

- Tasked with wiping and imaging laptops, checking and updating inventory, and servicing customers within the enabling area of information technology services.
- Facilitated a panel comprised of Partners, Principals and Managing Directors for an audience of 80 at the intern conference.
- Collaborated on and presented numerous presentations regarding the development of company-wide programs and initiatives to senior professionals within the firm.
- Worked in a Cyber Risk group within the advisory service line, assisting a team of professionals with the evaluation and implementation of a cyber security system for their client.

### 1stGenND

*Outreach Coordinator*

South Bend, IN  
Aug. 2016 – Present

- Involved in the establishment of the first Notre Dame student-run program for first-generation students.
- Participate in mentorship and support activities for first-generation students.
- Collaborate with other members to raise awareness to and improve the first-generation student experience at Notre Dame.

### National Association of Black Accountants (NABA)

*Co-President*

South Bend, IN  
Jun. 2016 – Oct. 2018

- Led the reestablishment of Notre Dame's NABA chapter after years of inactivity.
- Strive to bridge the gap for black professionals in the fields of accounting and finance, but open to all business majors.
- Contact and meet with recruiters and business professionals to organize volunteer and career development events for members.
- Inform members of various opportunities available to them and connect them with companies (Deloitte, Amazon, PwC, Goldman, etc.) seeking diverse talent through campus meetings and regional office visits.
