ABOUT THE CULTIVATING CHANGE FOUNDATION

The Cultivating Change Foundation, a national 501(c)(3) nonprofit organization was launched at the start of 2016.

The Foundation's mission is to value and elevate LGBTQ+ agriculturists through advocacy, education, and community.

The Foundation will continue to develop new programs and educational materials to ensure our conversations reach a broad audience and promote positive change for LGBTQ+ individuals in agriculture.

THE SUMMIT

OCT. 2023 | WASHINGTON, DC AREA

The purpose of the Cultivating Change Summit is to bring together agriculture LGBTQ+ employees, human resources and diversity and inclusion professionals, employee resources group leaders, executives and organizational leaders, allies and others who are working toward an equitable industry environment for LGBTQ+ agriculturists everywhere.
