

**South Lake Union Community Council
Transportation Committee
Jan. 2018 Meeting: Wed., Jan. 31, 2018 (2:30 – 4 p.m.)
Fred Hutch – Yale Building: Room J1-102
Public Meeting – All Welcome**

South Lake Union Position on Mobility and Transportation

Through collaborative visioning, planning and stakeholder engagement, the South Lake Union Community Council seeks to advocate for funded mobility solutions connecting communities, while reducing single occupancy vehicle dependence in North Downtown. This will be achieved by improving transit, pedestrian and bicycle connectivity, maintaining the neighborhood’s role as a regional commuter and freight corridor, supporting efficient access to public amenities and championing a vibrant and safe urban streetscape through innovative public/private partnerships.

AGENDA

- I. Welcome and Introductions (Mike McQuaid)
- II. Public Comment 5 min.
