Bring hope to the life of others

On-Going Assistance Sponsorship

The on-Going Assistance Program

There are many families in our community who have lost all hope of succeeding on their own. Despite all the efforts, their means of living are very limited, and they are in desperate need of your support. Radiant Hands has identified several families who fall under this category, for the following reasons: disability of the main provider of the family, a chronic disease that prevents a father from working full time, a widow with babies...etc.

Who is Eligible

This program is operated locally by Radiant Hands, who have identified several factors to determine a family's eligibility. If a family's main breadwinner has little or no cash and needs housing, food, utilities, clothing or medical care, and is determined incapable of increasing his income, that family may be eligible for the program.

Please read the stories of the families on our website and social media

How it Works

Radiant Hands identifies the essential elements for financial survival for each family under this program. These elements are explained and itemized with each story narrated and published.

Sponsors will donate monthly towards the program until the needs are fully covered for all the families.

Radiant Hands pays the family's monthly obligations as identified directly to the service providers and not to the families themselves.

Radiant Hands assesses the family's progression every three months and provides the sponsors with an update on their situation.

An-Nu'man ibn Basheer reported: The Messenger of Allah (PBUH) said, "The parable of the believers in their affection, mercy, and compassion for each other is that of a body. When any limb aches, the whole body reacts with sleeplessness and fever."

عَنْ النُّعْمَانَ بْنِ بَشِيرٍ قَالَ قَالَ الرَّسُولُ (ص) مَثَلُ الْمُؤْمِنِينَ فِي تَوَادُّهِمْ وَتَرَاحُمِهِمْ وَتَعَاطُفِهِمْ كَمَثَلِ الْجَسَدِ الْوَاحِدِ إِذَا اشْتَكَى مِنْهُ عُضْوٌ تَدَاعَى لَهُ سَائِرُ الْجَسَدِ بِالسَّهْرِ وَالْحُمَى

How can you sign up for this program?

Signing up for this program does not require an individual commitment to a specific family. Despite the fact that Radiant Hands will share the stories of all the families under this program, all the sponsorship goes to one account, so they can all benefit from it equally. Radiant Hands' target is to establish a long-term trust relationship between sponsored families and the community.
