Citizenship: Canada and USA

Education

- 2000 Ph.D. in Linguistics, University of California, Santa Cruz.
- 1995 B.A., Summa Cum Laude, University of California, Los Angeles.
Linguistics and French with departmental honors.
- 1993-1994 University of California Education Abroad Program; Hebrew University
of Jerusalem, Israel.
- 1989-1990 Educational Foundation for Foreign Study; Lycée Polyvalent Lamarck,
Albert (Somme), France.

Employment

- 2008 – present *Associate Professor*
Department of Linguistics, University of Arizona
Also affiliated at the University of Arizona with:
Ph.D. Program in Cognitive Science
Ph.D. Program in Second Language Acquisition and Teaching
Department of Near Eastern Studies
Arizona Center for Judaic Studies
Center for Middle Eastern Studies
- 2003 - 2008 *Assistant Professor*
Department of Linguistics, University of Arizona
Also affiliated at the University of Arizona with:
Ph.D. Program in Cognitive Science
Ph.D. Program in Second Language Acquisition and Teaching
Department of Near Eastern Studies
Arizona Center for Judaic Studies
Center for Middle Eastern Studies
- 2001-2003 *Visiting Assistant Professor*
Department of Linguistics, University of Arizona
- 2001, Summer *Guest researcher*
Department of Linguistics, Heinrich-Heine-Universität, Düsseldorf,
Germany
- 2001, Winter *Lecturer*
Department of Linguistics, University of California, Santa Cruz

Research interests

Cognitive science, lexical access, phonology, morphology, Semitic languages and grammars, the nature of lexical representations, prosodic phonology and morphology, templatic effects, nonconcatenative phonology and morphology, metrical phonology, psycholinguistics, articulatory and gestural phonology and phonetics, loanword phonology, opacity.

Grants and contracts

- 2017-2018 National Science Foundation doctoral dissertation improvement grant (Principle Investigator; Shiloh Drake, Co-PI/dissertator); \$11,816 (direct costs), BCS-1732190, *L1 Biases in Learning Root-and-Pattern Morphology*
- 2016-2018 National Science Foundation workshop grant (co-Principal Investigator with Andrea Sims, P.I.); \$29,088.00 (direct costs), BCS-1623932, *Workshop: Morphological Typology and Linguistic Cognition*, held at the Linguistic Society of America Summer Institute, July 22-23, 2017, University of Kentucky.
- 2015-2016 National Science Foundation doctoral dissertation improvement grant (Principle Investigator; Samantha Wray, Co-PI/dissertator); \$10,711.00 (direct costs), BCS-1533780, *Morphological Decomposition in Arabic*
- 2015-2017 National Science Foundation research grant, co-funded with SBE-RCUK (co-Principal Investigator with Mike Hammond (P.I.), Diana Archangeli (co-P.I.), Heddwen Brooks (co-P.I.), Andrew Carnie (co-P.I.), Diane Ohala (co-P.I.), Peredur Webb-Davies (co-P.I.), and Andrew Wedel (co-P.I.)); \$377,718.00 (direct costs), BCS-1453724, *Experimental and Descriptive Investigations of Welsh (cym) Consonant Mutation*
- 2015 Faculty research development grant, Office of Global Initiatives, University of Arizona. \$850.00, collaborative research on Maltese Semitic vs. non-Semitic vocabulary (with Ray Fabri and Michael Spagnol, University of Malta)
- 2013 Faculty research development grant, Office of Global Initiatives, University of Arizona. \$800.00, collaborative research on Maltese lexical access (with Ray Fabri and Albert Gatt, University of Malta)
- 2012-2014 National Science Foundation research grant (co-Principal Investigator with Andrew Carnie (P.I.), Diana Archangeli (co-P.I.), Mike Hammond (co-P.I.) and Natasha Warner (co-P.I.)); \$300,170.00 (direct costs), BCS-1144318, *Experimental and descriptive investigations of Gàidhlig Initial Consonant Mutation*
- 2010 Small grant, Social and Behavioral Sciences Research Institute, University of Arizona (Principal Investigator); \$1500.00, *Word Familiarity in Hebrew and Arabic*
- 2009 Faculty research development grant, International Affairs, University of Arizona. \$1,110.00, Collaborative Research on the Electronic Maltese-English Dictionary
- 2009-2013 Maltese-English Electronic Dictionary contract, Midsea Publishers, Inc. (Principal Investigator); \$21,000.00
- 2008 Interdisciplinary Collaborative Research Grant, Social and Behavioral Sciences Research Institute, University of Arizona (Co-Principal Investigator, with Norma Mendoza-Denton and Andrew Wedel); \$8855.00, *Modeling Intergroup Differentiation: the Sociolinguistics of Arizona Englishes*
- 2007-2010 National Science Foundation research grant (Principal Investigator); \$114,728.00 (direct costs), BCS-0715500, *Psycholinguistic Investigation of Lexical Access in Hebrew and Maltese*

- 2006 Small grant, Social and Behavioral Sciences Research Institute, University of Arizona (Principal Investigator); \$800.00, *Hebrew Morphological Family Size Experiment*
- 2005 Graduate Assistance Grant, Social and Behavioral Sciences Research Institute, University of Arizona (Principal Investigator); 0.25 FTE for graduate research assistant employed Fall 2005, *Electronic Maltese-English Dictionary Project*
- 2005 National Science Foundation doctoral dissertation improvement grant (Principle Investigator; Alina Twist, Co-PI/dissertator); \$11,952.00 (direct costs), BCS-0449757, *A Study of Diverging Morphology: Native and Loan Verb Formation in Modern Maltese*
- 2004 Foreign travel grant, Office of International Affairs; \$500.00 for travel to present paper at the Old World Conference in Phonology 2, Tromsø, Norway.
- 2004 Academic year proposal development award, Social and Behavioral Sciences Research Institute, University of Arizona; \$4000.00
- 2004 Junior faculty grant, Office of the Vice President for Research, University of Arizona (Principal Investigator); \$4,000.00, *Psycholinguistic investigation of Modern Hebrew word formation*
- 2004 Small grant, Social and Behavioral Sciences Research Institute, University of Arizona (Principal Investigator); \$1500.00, *Mental retrieval of words in Maltese*
- 2004 Foreign travel grant, Office of International Affairs; \$650.00 for travel to present paper at the 11th International Morphology Meeting, Vienna, Austria

Teaching experience

2001-present: University of Arizona

Courses taught:

- Spring, 2018 Ling 548: *Auditory and visual word recognition and lexical processing* (graduate); enrollment: 6 students
- Ling 689: *Professionalism* (graduate); enrollment: 9 students
- Hnrs 195: *Freshman honors seminar* (topic: language processing); enrollment: 17 students
- Fall, 2016 Ling 410/510: *Foundations of Phonological Theory I* (undergraduate/graduate); enrollment: 21 students (15 graduate, 6 undergraduate)
- Ling 315: *Introduction to Phonology* (undergraduate); enrollment: 29 students
- Hnrs 195: *Freshman honors seminar* (topic: language processing); enrollment: 18 students
- Spring, 2016 Psyc/Ling 542: *Lexical access* (graduate); enrollment: 7 students
- Ling/MENAS 454/554: *Structure of Hebrew*; enrollment: 12 (8 graduate, 4 undergraduate)
- Ling 689: *Professionalism* (graduate); enrollment: 6 students
- Fall, 2015 Ling/Psyc 201: *Introduction to Linguistics* (undergraduate); enrollment: 40 students
- Ling 315: *Introduction to Phonology* (undergraduate); enrollment: 35 students
- Hnrs 195-001: *Freshman honors seminar* (topic: native habitat restoration); enrollment: 18 students
- Spring, 2015 Ling 315: *Introduction to Phonology* (undergraduate); enrollment: 35 students
- Ling 697A: *Linguistic Theory* (graduate); enrollment: 5 students
- Ling 689: *Professionalism* (graduate); enrollment: 9 students
- Ling 495A/595A: *Linguistics colloquium*; enrollment: 24 students (15 graduate, 9 undergraduate)
- Fall, 2014 Ling 432: *Psychology of Language* (undergraduate); enrollment: 65 students
- Ling 516: *History of Phonology* (graduate); enrollment: 9 students
- Hnrs 195-001: *Freshman honors seminar* (topic: native habitat restoration); enrollment: 12 students
- Ling 495A/595A: *Linguistics colloquium*; enrollment: 27 students (15 graduate, 12 undergraduate)
- Spring, 2014 Ling 689: *Professionalism* (graduate); enrollment: 4 students
