ACCOMMODATIONS

AM Solar has a corporate relationship with the Valley River Inn and the Village Inn. If you intend to stay at either of those hotels, be sure to say you are with AM Solar so that you will receive the negotiated room rate. Keep in mind that whenever possible, scheduling in advance will more likely ensure a better room rate. Receiving a discounted room rate is contingent on hotel availability and one should be mindful of local events that might pose difficulty reserving a room at late notice. The most common times that discounts are not available are the second week of June (NCAA Track & Field, followed by UO Graduation) and in the fall, home Duck football games. It should be noted that this year Eugene & Springfield are hosting the Olympic Trials for Track & Field (June 28-July 13) and discounts at the Valley River Inn will not be available during that time. All of the accommodations listed below are pet friendly.

If your rig is also your only form of transportation, consider staying at the Village Inn. Located just a mile down the road from AM Solar, you can walk to and from your hotel (be mindful that it rains often in Oregon, so you still might want to rent a car depending on the season). Say you're with AM Solar and get a room rate of \$69.99* at the Village Inn. Within the area you have access to several restaurants, including Burrito Boy, Hawaiian Time, Abby's, Sonic, Mongolian Grill, Prime Time Bar and Grill and the AM Solar favorite, Coburg Pizza Company. Just a few miles away, off of main street in Springfield is Planktown Brewing Company. They'll seat you at one of their live edge tables where you'll enjoy reasonably priced gourmet food, including in-house pastas and options such as rabbit, duck, and lamb.

Shopping isn't that far either, less than ten minutes from our shop are the Shoppes at Gateway which include Target, Kohls, Marshall's, Hobby Lobby, Cabela's and so much more. There's plenty to do in Springfield while your rig is being outfitted with solar, take some time to enjoy the food, beer, and culture that this area offers.
