****No additional Team fees will be collected up front. If the team decides to participate in a winter indoor league, extra team bonding activities or other extra training not included as stated in the above club fees, the team manager will collect extra fees to cover these expenses.**

► Uniforms are purchased by the player through Team Gazelle. Information on this is online at www.gazellesports.com under **soccer club uniforms and fan wear**.

REFUND POLICY:

What to consider before committing your child to a PASS FC team.

When a player accepts a spot on a PASS team, he/she is filling a roster spot and making a commitment to the team for an entire playing year, which includes the fall and spring seasons (High school teams are 1 season). Each team is formed from a verbal/written commitment, and is finalized with the league when enrollment has been completed. Withdrawing may leave the team in jeopardy of not meeting league rules for minimum number of players.

Non-Injury REFUND POLICY

This refund policy should be considered before signing your child up for a club team.

If a player decides to leave the team after they have completed Step #1 and #2 of the enrollment process (online or otherwise), the following will apply:

- Player sends written communication to the club BEFORE their team is registered with the league – 70% refund.
- Player sends written communication to the club AFTER their team is registered with the league – NO refund.

Injury REFUND POLICY

Club fees are considered payment for the player to hold a roster spot on the team, not for the number of games or practices they participate in.

- **SEASON(s) ENDING INJURY:** If the player is injured and can no longer participate with the team through it's entirety, the player should send a written refund request and a doctor's note explaining the injury. The PASS Board of Directors will review this and award a partial Club fee refund depending on the timing of the injury to the season(s) completion. The player will be removed from the team roster and may not participate in any team activities.
- **RETURNING TO PLAY INJURY:** If the player is injured and wishes to remain on the team roster and participate in any activities they are able to, or they wish to come back to the team after their injury is healed, there is no refund available for Club fees.

SPECIAL CIRCUMSTANCES Refunds for certain circumstances (moving, loss of employment, etc.) will be reviewed on an individual basis and documentation is required to be considered by the Board of Directors.

Please email all refund requests to the Board of Directors through the Contact Button on the PASS website. www.PASSfcmember.com
