

MARK NG

Listen, then Speak.

Personal Statement

Hosting to me is inspiring the audience.

I love to entertain. Hearing that the crowd genuinely enjoyed the event, that's what drives me. My passion is in giving people what they never knew they wanted. Inspiring laughter or an ovation.

The magic that is an impeccable show, seemingly no kinks. A show that wows the crowd, gets them off their feet cheering or applauding is what I live for.

Relevant Skills: Improvisation, moderation, stage games, stand-up.

Fluent Languages: English

EVENTS ORGANIZED BY SMU CLIENTS

SMU Patron's Day Hub

2 FEB 2016

Informal Event | Office of Student Life & University Events

Patron's Day is an annual celebration of SMU's anniversary. Along with other Co-hosts we entertained students and visitors alike with our roadshow. Conducting games, giveaways and interviews with the crowd.

Sports Awards Night 2016

17 FEB 2016

Semi-Formal Event | SMU Sports Union

The annual event that celebrates athletes and sports clubs with their achievements and acts as a time for the many sports clubs to network with one another. My Co-host and I acted as both masters of ceremony as well as hosts for the games, prize giveaways, and entertainers.

Waikiki 2016

18 FEB 2016

Informal Event | SMU Sports Union

SMU's largest sports event, where students take a break from their usual studies and head to the beach for a day of fun in the sun. My Co-host and conducted stage games, interviews with the crowd as well as lead the annual beach Pageant as emcees.

Sports Camp Finale Night

27 JUN 2016

Informal Event | SMU Sports Union

One of the largest camps conducted annually by the School. Open to all students, introduces the many different sports CCAs available in the school. I aided in the program organization along with the events team, advising them on how many of their programs should be conducted to facilitated a smooth and cohesive flow.

Oikos Grad Night

12 JUL 2016

Formal Event | OIKOS (School of Economics)

The graduation night for the graduates from the school of Economics was a gathering to allow graduates to meet and have one last farewell to one another before leaving school. I aided by introducing acts as well as presenting awards and facilitating conversations with the guests throughout the night.

Metamorphosis 2016 Freshmen Camp

27 JUL 2016

Informal Event | SMU School of Information Systems

This camp acted as the opening for the students of the school of Information Systems. It enables incoming students to get to know one another. I conducted games, introduced the Guest of Honor, Dean of the School of Information Systems, and also conducted acted as the event coordinator along with the events team. Structuring the organization and timing of the event and its programs from opening to closing.

Freshman Bash

18 AUG 2016

Informal Event | SMU BizCom

This well- known school wide event is the annual pageant conducted to bring all students especially Incoming students for a night of unwinding and in the support of their friends. My co- host and I aided by ensuring the smooth flow of the event, conducting games, interviews with guests and also presented the awards. However, I also advised in the program flow of the event.

Under the Stars

24 AUG 2016

Formal/Informal/Semi-Formal Event | Insert-Name-of-Organization

Insert-Event-Description (Optional): Highlight your role as an emcee. (e.g. conducted stage games, introduced speakers, announced winners, gave out awards and prizes, etc)

Glow 2016

26 AUG 2016

Formal Event | SMU of Information Systems Society

The annual School of Information Systems pageant. Conducted to bring incoming students together to support their friends. I was the master of ceremony conducting the pageant the giveaways. I worked especially close with the events team for this event. Aside from conducting the programs and the flow of the event, helping them to time and sort the order of the programs was key to the functioning and the entertainment of the crowd.

Dean's Tea Ceremony

27 Sept 2016

Formal Event | School of Information Systems Office of the Dean

The ceremony was to celebrate and award students who had attained the honor of being on the Dean's list. I acted as the master of ceremony as well as facilitated the smooth flow of the event and entertained the crowd.

SIS Day

15 SEP 2016

Informal Event | SMU of Information Systems Society

The annual school event was conducted with a turnout larger than expected with over 300. I conducted the flow of their many programs from performances to coding based events like a coding competitions. Where I acted as commentator as well as keeping the crowd's attention by ensuring they were always entertained. I also facilitated giveaways and event coordinator aiding and advising on the event flow to the events team.
