SMU Open House 2017

5 MARCH 2017

Informal Event | Singapore Management University

SMU Open House 2017 involved showcasing what SMU has to offer to prospective students and aims to promote the school to potential freshmen. Significant bantering was required from the emcees between CCA performances and Academic talks. Bantering topics included the unique teaching pedagogy to personal experiences of individual's school life. Interviews with the CCA performers and being a moderator for the Question and Answer sessions were also requirements of the emcees.
