## Personal Statement

---

I love the adrenaline rush that comes with dealing with the unexpected. Hosting always presents unexpected challenges, and with each event I become more confident in handling adverse situations.

After being introduced to SMU Broadcast & Entertainment and taking part in Voice Personality Hunt 2016, I learnt how to bring out my personality in every event. If you want a vibrant personality to bring life to your event, I may be that host for you. And as always, any feedback is greatly appreciated.
