## HERE'S WHAT YOU NEED TO KNOW

I'm currently working in Milwaukee as an Art Director at Laughlin Constable.

I'm a mood board queen — passionate about the design process and finding the very best solution. I lose my mind over bold colors, texture and letterform - especially when backed by a strong concept.

I'm happiest when I'm in my creative element, but when I'm not there you can find me recreating stock photos with friends, discussing conspiracy theories and antiquing.
