

**MISSION /**

**To foster hope, health and recovery  
for those affected by mental illness.**

**PHILOSOPHY /**

**MHR believes that persons with  
mental illness can learn to lead full  
lives in the community. We challenge  
ourselves and the larger community  
to address barriers that inhibit their  
independence, growth and recovery.**

**VALUES /**

**Integrity  
Dignity  
Professional Competence  
Multicultural Awareness  
Compassion  
Innovation  
Measurable Outcomes**

# PROGRAMS & SERVICES

*Mental Health Resources, Inc. is a 501(c)3 agency founded in 1976. We provide community-based mental health services for adults living with chronic mental illness. In 2014, MHR served 6,596 individuals. While the majority of our clients reside in Hennepin, Ramsey and Dakota Counties, we provide services in 38 counties throughout Minnesota.*
