

Make a Memory – Make It Magical Downtown Lake Wales Friday, December 8, 2017

Lake Wales Main Street is hosting the 6th Annual Make It Magical event on Friday, December 8, 2017 beginning at 5pm and we would like YOU to join hands with us in this fun-filled and memorable evening for all ages! This year's theme will be **Centennial Christmas at the Market Place** focusing on our community heritage and time spent together with friends, family and neighbors celebrating the most wonderful time of the year! Expect a crowd!

Main Street is excited to offer our guests unparalleled shopping with local artisans, gift wrapping, long-awaited visits with Santa, cookie decorating with Mrs. Clause, artistic crafts for the children, festive holiday entertainment, delicious food and drink, beautifully decorated trees, silent auction, creative photo opportunities, and SNOW! Guests will have a map that will list all the vendors, activities and descriptions.

Your business is invited to participate with us for this fantastic community event! Below is a form to fill out and return with the \$20 vendor fee by Friday, November 17. Vendors will be responsible for their own tables, chairs, and tent. There will be electricity and outlets to plug into. The more lights the better so come prepared ☺

If you are planning to participate, please respond to this email with your name, name of business, and what type of merchandise you will have at the event. Then mail your form with payment to: Lake Wales Main Street, P.O. Box 4125, Lake Wales, Florida, 33859 by Friday, November 17, 2017.

I look forward to hearing from you!

Stephanie Eckstein
