

## 2nd Story Anonymous Guest Feedback Survey

Month/Year: \_\_\_\_\_

*Please fill out and place in locked box in the office;  
forms will be retrieved every two months*

Please note that this feedback survey is for the purposes of the house and not connected to the research study.

If you had a choice between staying at 2<sup>nd</sup> Story or another healthcare facility, which would you choose and why?

What have you learned about yourself because of your stay here at 2<sup>nd</sup> Story?

What advice would you give to someone experiencing a mental health crisis for the first time?

How were you able to contribute to relationships and the 2<sup>nd</sup> Story environment/community while here?

Can you speak a little about something good that happened while you stayed here? Are you willing to speak about something that may have been bad?

Before filling out the next page, would you please share a thought or two on how we can improve?

How effective were the activities in assisting you in your personal recovery?

- Poor
- Fair
- Good
- Excellent

The peer staff was helpful and supportive?

- Poor
- Fair
- Good
- Excellent
