
Gift Aid Declaration to Neuroblastoma UK

Please treat all donations I have made since 6 April 2000 and* all donations I make hereafter to Neuroblastoma UK as Gift Aid donations and reclaim tax on them. I note the tax position and will let NBUK know if my future giving is not covered by the tax I pay.

As a Gift Aid donor you need to be paying UK income tax or capital gains tax at least equal to the amount of tax reclaimed on your donations in each tax year (currently 25p for every £1 you give). Remember to let NBUK know if your tax position changes.
