

# Summer Fun for Juniors!

## New Summer Schedule

### The Juniors' Summer Program

Preschool children: Tuesdays 7/11-8/15

School children: Wednesdays 7/12-8/16

Session Times: 3:00-4:30

To help build social skills in little ones, we offer recreation and enrichment — artfully blended into our platform of play. Kids have fun flexing their social muscles through hands-on, engaging activities including *Arts & Crafts, Outdoor Fun, Cooking and Cooperative Games.*

In a smaller and more therapeutic setting our focus is on social and emotional development skills that include:

Being Flexible	Perspective Taking
Collaboration	Problem Solving
Empathy	Taking Turns
Conversation skills	Winning and Losing
