

About God

We believe in one God who exists in three distinct and co-equal persons: Father, Son, and Holy Spirit. We believe He is the Creator and Ruler of the universe. We believe that God is a just God and therefore He requires a just payment for the sins against Him by humanity.

About Humanity

We believe that all people were created in the image of God to have fellowship with Him. Although man has tremendous potential for good, he is marred by an attitude of disobedience toward God called "sin." This attitude separates man from God. Man is incapable of making himself right with God by his own efforts, he needs a Savior.

About Jesus

We believe that Jesus Christ is the second member of the Trinity (the Son of God) who became flesh to reveal God to humanity. We believe He is co-equal with the Father. He offered Himself a perfect sinless sacrifice on the cross for the payment of mankind's sin. We believe that faith in Jesus is the only way to enter a relationship with God.

About The Holy Spirit

The Holy Spirit is co-equal with the Father and the Son as God. He is present in the world to make men aware of their need for Jesus Christ. He also lives in every Christian from the moment of salvation. He provides the Christian with power for living, understanding of spiritual truth, and guidance in doing what is right. The Christian seeks to live under His, The Holy Spirit's, control daily.

About Salvation

We believe God freely offers salvation to those who place their faith in the death and resurrection of Christ as complete payment for their sin. We believe that the blood of Jesus Christ, shed on the cross, provides the only basis for the forgiveness of sin. We believe that this salvation is freely offered to anyone who would receive it; and that while God knew beforehand, God did not choose who would and who wouldn't accept this free gift.

About Scripture

We believe the entire Bible consisting of 66 books is God's Word to mankind. We believe that the Original Manuscripts are Inspired and have been preserved through the generations. We believe men were moved by the Spirit of God to write the very words of Scripture. Therefore, we believe the Bible is ultimate source truth and guidance without error.

About Baptism

Baptism by immersion symbolizes the death, burial, and resurrection of Jesus and is your public declaration that you have accepted Jesus Christ as your personal Savior. Baptism does not save you, but shows the world that you have already been saved. And while baptism is not required for salvation, it is a biblical command and demonstrates your love and obedience to Christ. We believe that Baptism by Immersion is required for membership into a local Church body.

About the Christian Life

We believe all Christians should live for Christ and not for themselves. By obedience to the Word of God and daily yielding to the Spirit of God, every believer should mature and be conformed to the image of Christ.

About the Church

We believe that the church is a local body of believers that exists to Glorify God, exhort and edify other believers and proclaiming God to the Lost world. We believe that the local church is self autonomous and independent, free from any denominational leadership or dictatorship. We believe that the church should be locally led and indigenous.

Membership in the church is attained by first having a faith in Jesus Christ to save one from his/her sins followed by baptism by immersion.
