Think Next Summer and Traveling Day Camp

I want to give a big "Thank You" to all the churches who participated in Traveling Day Camp this summer. It was a huge success and we truly love partnering with you in ministry.

Day Campers enjoy the waterslide at Montoursville Church.

We were able to work with over 25 churches this past summer and are working hard to make summer 2017 even more successful. Traveling Day Camp has seen tremendous growth in the last few years. We have had churches that have partnered with us every year!

Some of the Ward Ave. Church campers during their overnight at Krislund.

I am already setting up dates for churches next year. New churches can begin reserving dates October 16th. I have meetings set up with 3 new churches who are interested in partnering with us this summer! If your church is interested spots are filling up so book quickly!

If your church is interested in hosting a TDC I would love to meet with you. You can reach me by phone at 814-422-8878 or by email at program@krislund.org.

I look forward to working with you.

VITAL SIGNS SEMINAR

Presenter: Bill Webster
October 24-25 2016

Unlike most of the national experts, we design seminars which lay people and even youth find stimulating and fun. Expect laughter, small group activities, Bible exploration, and award-winning short movies. We include "Q and A," a "this-worked for us" segment, and plenty of "stretch breaks." Go home with dozen of ideas which fit your people and your situation. This will be an enjoyable and transforming occasion. Come find out what God has in store for your congregation! "No eye has seen, no ear has heard, no mind has conceived what God has prepared for those who love him" (1 Corinthians 2:9)
