Kids to Krislund Annual Dinner

Save the Date: April 30 at 3:00p.m.

Krislund Alums! Time to put Mission Week on your schedule!

Hey Krislund Friends! In looking ahead and making plans for the new year, do not forget (!) to plan on the Alumni Mission

Week in May! Actually April 29 - May 7! Come early, stay late, come for a day or come for the week! The big Kids-to-Krislund Fundraising Dinner is that Sunday April 30 (watch this space for details on that great event later!). Then the Spring Work Day is Saturday, May 6. We will be busy all week preparing camp for the 2017 season and having the fun we always have at good old Camp KRISLUND!

Krislund's Wish List

We have two types of needs this month:

1. Paint: Last month we asked that you collect all the gallons of old latex paint that you have and send them to Krislund. We still need old paint. As soon as the weather breaks, we will start painting some of the oldest camper cabins. The stain has long worn off of these cabins and they will "drink in" all of the first coat that will be applied. Consequently, it doesn't matter what color the paint is as long as it is latex. If you have some and aren't able to bring it to Krislund, call the office and we will figure out a way to get it. Many thanks.

2. Sewing and knitting supplies: This summer we will be expanding the opportunities for campers to learn sewing and knitting skills and other fiber arts. If you have yarn, material, threads, pins, and needles—you know, any of the tools that you use to knit or sew—we could use them in the fiber arts program. For a complete listing see Page 4.

Thanks for thinking of Krislund. As good stewards, we will try to use all donations well. If we find that we can not, we will pass them on to those who can.

The Krislund Staff and Volunteers

Director's Discussion

Welcome 2017!!

First: Thank you to everyone who sent financial gifts in 2016.

We value your trust and will endeavor to put your gifts to good use. As our numbers of campers have tripled in the last three years, we have also received many more requests for scholarships. Your gifts will enable many more young people to experience a week-long time of fun and Christian growth. Thanks.

Second: Spring of 2017 is going to be awesome!

I hope you will take advantage of any opportunity to participate in the exciting activities coming up. First, **Rock the Camp** will be held April 13-15. This is the opportunity for middle and high schoolers to come to Krislund to have fun, provide service, and share in the fellowship of other Christians. See page 1 to learn how to participate.

We will also be offering an opportunity for college students to use their Spring break to participate in Krislund's Training Emerging Leaders Series (TELS). This will include kayaking, rafting, good discussion and opportunities for service in North Carolina. Contact me at (812) 422-8878 if you would like to participate in this event.

Our donors are all invited to the Kids to Krislund Annual Dinner which will be on Sunday, April 30 at 3p.m. Friends and supporters of Krislund as well as members of the Fellowship of the Carpenter will provide some very creative items to purchase and the dinner will include good food and fellowship.

Krislund is also offering an opportunity for people of all ages to share in a week of mission service as we help those in need with house repairs and maintenance. See page 3 to learn more.

Third: Summer 2017 will be awesome!

This summer is going to be exciting. Check out the last page of this issue to see the new programs in the arts as well as adventure activities. Go to the website to register.

Meanwhile, if you know of young adults who love both Christ and kids, please let us know and/or encourage them to apply on line to work at Krislund this summer. It will be a life-changing experience.

And please accept my ongoing thanks. Gene

Central PA Mission Work Camp

A joint mission of the Huntingdon, Northumberland and Carlisle Presbyteries

Who Can Participate?

This opportunity is perfect for any group of 8-16 individuals who want to provide much-needed assistance to community members. This experience offers groups the opportunity to grow together, enjoy fellowship, and provide service.

When

Your group can choose any of four weeks in June 2017. Participants will arrive Sunday afternoon and depart Friday afternoon. If this does not work for your group, contact us for alternative arrangements.

For the glory of God, in the service of Christ, using our talents and gifts so that others might know Him

Dear Partners in Christ,

Krislund staff is excited to work in partnership with the Presbyteries and local churches to implement this opportunity for mission outreach within Central Pennsylvania. This is an exciting program to initiate and I am eager to identify groups and projects. Imagine your group enjoying fun at camp AND working to assist a family that needs the help that you can give. Check out the work camp tab at www.krislund.org and call or email me for more information!

Randy McMunn, Mission Outreach Director (email: rmcmunn@krislund.org)

How to be Involved!

1. Recruit your team.
2. Identify your skills.
3. Contact us to schedule your week.
4. Complete the leadership packet.

We will identify projects to match your team's level of skill.

Fellowship of The Carpenter

Join the Fellowship!
Share in Ministry!

Hi Members and Friends,
Once again I encourage you to put The Kids-to-Krislund dinner on your calendars. The event is scheduled for Sunday, April at 3 p.m.

We will again have artwork and craft items for sale prior to the dinner and I hope you will consider sharing your talents by contributing an item that you have made.

For those of you who have not yet joined the Fellowship, please go to www.krislund.org and click on the "Adult Programs" tab. Hope to hear from you.

Barry Vance,
Coordinator

Thank you to all of the PSU Martin Luther King Day volunteers.

Your fun-loving help is always appreciated!

The Krislund Staff
