

Head of School Search

Frederica Academy
St. Simon's Island, GA

Our search committee and the entire board of trustees were so pleased with the head of school search engagement that we had with School Strategies and Solutions. When we called upon them for guidance during a transition, they dove into it, got to know us and were greatly creative in guiding us on a path forward that was so incredibly helpful. I think the world of your team and highly recommend School Strategies and Solutions for your professional approach, and full commitment to finding outstanding leadership for our school!

Mrs. Bonney Shuman, President, Board of Trustees
Frederica Academy, St. Simon's Island, GA
