

**For Immediate Release**  
**San Francisco, 21<sup>st</sup> September 2017**

**Actionable Science shortlisted for the Alconics Awards at the world's foremost AI business Confex**

**SAN FRANCISCO– SEPTEMBER 09/21/2017:**

*Actionable Science has been shortlisted for Best Innovation in NLP at the Alconics awards, the world's only independently-judged awards celebrating Artificial Intelligence for Business, which are being announced at The AI Summit San Francisco.*

Following the significant advances made in recent AI technologies and applications in 2017, the Alconics awards was at its most competitive, with over 300 entries across the 10 awards.

The finalists for each category are below.
