Refreshment Café Opens in St. Michael's Park, Cirencester

Cirencester Town Council is pleased to announce that St. Michael's Park has got a brand new refreshment cabin and outside seating area. The popular park in the centre of Cirencester has a wide range of leisure facilities including tennis, crazy golf, croquet, pitch and putt, and BBQ hire. The refreshment café is a welcome addition to these facilities.

The Cabin is run by a local company called, In the Park, and they are serving espresso coffees, hot chocolate, ice cream and home made cakes. It is hoped that this will encourage a cheerful meeting place for all users of the Park.

Town Councillor Andy Lichnowski said "We are delighted that The Cabin is up and running. Our Estate Services have been working hard to improve and increase facilities in St. Michael's Park and it is great to see our plans come to fruition".

Sponsorship from 4 by 4 Manufacturer SsangYong has enabled us to provide this new facility which is a fantastic addition to the park and the wider Watermoor area.
