

Central Louisiana Amateur Radio Club's PRAYER NET SCRIPT

Good evening!

This is **<Your Call Sign>**, my name is _____. I will serve as net control for this evening's PRAYER NET. All interested HAMs are encouraged to participate in tonight's net with or WITHOUT a prayer request.

The net meets each Sunday evening on **147.330 with a +PL Tone of 173.8** immediately following the conclusion of the ARES/RACES Training Net, which meets at 8:15 pm.

This is a directed net. Please direct all traffic through net control.

The PRAYER Net is designed to be an encouragement to all. Please limit all prayer requests to the need and the name of the person with the need, if appropriate.

There should be nothing controversial or political discussed. We will pray for our nation, our troops and our leaders each week.

Check in by Identifying yourself phonetically. After recognition by net control, give your prayer request.

Our Scripture for this evening is: _____

Are there any stations wishing to check in at this time with or without a prayer request? Starting first with:

Echolink:

Regular Check-ins:

Thank you to all stations that stood by to provide us a clear operating frequency. This is **<Your Call Sign>**, net control for the of Central Louisiana Amateur Radio Club's Prayer Net, at this time we are closing the net and returning the repeater to normal amateur radio use. 73 and Good Evening!
