**Membership Dues and Religious School Fee Schedules**  
**2017-2018**

183 French Street  
 Bangor, Maine 04401

Our new dues structure has been carefully designed and formulated to create equitable and clear guidelines for all our congregants. It has been recommended by the URJ (Union for Reform Judaism) that membership dues and religious school tuition fund 90% of the congregation's annual budget. With this in mind, we have structured the dues table in an effort to approximate this goal. We still will look toward our Annual Fund Campaign, special gifts and other program fees to cover all our other needs for this year.
