**ORGANIZATIONAL BACKGROUND AND CULTURE**

The Thich Nhat Hanh Foundation is the fundraising arm and a communications hub of the Plum Village Community of Engaged Buddhism (PVCEB), Zen Master Thich Nhat Hanh’s nonprofit organization in the United States. The Foundation was established in 2011 to raise funds for the continuation of Thich Nhat Hanh’s teachings and practices. We are also involved in communications and outreach for the International Plum Village Community, a worldwide network of 11 mindfulness practice centers and various mindfulness initiatives in Thich Nhat Hanh’s Plum Village tradition. We are fortunate to be guided by monks and nuns on our volunteer working board, along with long-time, lay mindfulness practitioners and students of Thich Nhat Hanh, making for a supportive, collaborative, and mindful culture. We see siblinghood as our most important asset and love and healing as our most valued profit. For more information, please visit tnhf.org.
