## Valentine's Day flower popup!

Little Boy Flowers' special Early Spring Bulb Share is an incredible gift for someone special. Featuring 8 weeks of Angie's favorites, these flowers are the earliest and best blooms of the season. Bouquets are straight bunch style, easy to separate and share with others or spread around your home or business. Anemones, ranunculus, tulips, hyacinths and Icelandic poppies, to name a few.

To place a gift order, give us a call at [\(530\) 292-3776](tel:5302923776) or reply to this email. We can send you a beautiful gift card to present on the special day. Deliveries begin when the flowers are ready, around March 1.

## RECIPES

*Recipes may sometimes call for more or less of a certain item in your boxes, or a fresh herb or other ingredient you might not have on hand. The key to enjoy eating locally and seasonally is in learning to adapt recipes and make delicious food with what you have on hand... if you get stuck, give me a call and I'll help you figure it out! ~Mielle [\(530\) 292-3776](tel:5302923776)*

### ROMANESCO (AKA ROMANESCO BROCCOLI)

This psychedelic-looking vegetable is an Italian heirloom that you can cook and eat just like broccoli.

### MUSTARD GREENS

Use these exactly like chard or other leafy greens, albeit they have a little kick. Here's a couple recipes if you're stumped:

- [Mustard Greens with Chipotle and Bacon](#)

### GOLD NUGGET WINTER SQUASH

This orange pumpkin should be stored in a cool, well-ventilated area, and cut pieces can be stored up to 5 days. It may be cooked whole or split lengthwise (removing seeds). Pierce whole squash in several places, and bake halved squash hollow-side up. You can eat it steamed, baked, or added to soups, stews, curries, and even desserts.
