SHORT BIO

I was born in Saint Petersburg in 1983. I spent my childhood snowy winters in the most beautiful city in the world, visiting theaters, museums, circuses and magical forests. I came to Israel at the age of 7.

Combining the artistic and aesthetic sense of my mother and the practical and logical understanding of my father, I believe in a design that is definitive in its function and appearance and has a clear statement. I am constantly inspired by fashion photography, Japanese culture and Pop art. I love rain, cats and laughing.
