Centerline Solutions Named to Inc. 5000 List for Fourth Consecutive Year

Recognized as one of the fastest-growing companies in the wireless industry and one of the highest-growth companies based in Colorado

GOLDEN, Colo. – [Centerline Solutions](#), a leading provider of wireless infrastructure services to the telecommunications industry, has once again been named one of America's fastest-growing private companies by *Inc.* magazine in its annual Inc. 5000 list. Centerline Solutions is ranked 3rd in the ranking of Colorado-based companies with at least \$50 million in revenue, based on its growth rate of 275 percent over the past three years. Centerline Solutions is also one of the top 20 fastest-growing telecommunications companies of any size in this year's Inc. 5000 list.

"I am incredibly proud of the team here at Centerline Solutions, which has done such a great job of sustaining our commitment to excellence even as we've grown rapidly. We continue to be an indispensable partner for the companies we work with to design, build, modify and maintain wireless infrastructure that is critical to their businesses, and that will always be our guiding principle," said [Benjamin Little](#), CEO of Centerline Solutions. "I firmly believe that sustainable growth comes not from a 'growth strategy,' but from having an unwavering commitment to customers, solving important challenges for them and innovating in ways that make you a long-term partner for each customer. Thank you again to our entire team for helping us keep this commitment, and thank you to our customers for placing their trust in us."
