Centerline Solutions Once Again Named A Top Fastest-Growing Private Company in Denver

*Denver Business Journal's Ranking of Largest Private Companies Recognizes
Centerline Solutions' Growth for Second Consecutive Year*

GOLDEN, Colo. – [Centerline Solutions](#), a leading provider of wireless infrastructure services to the telecommunications industry, has been named a fastest-growing large private company for the second year in a row by the *Denver Business Journal* in its annual ranking of private companies in the Denver Metro Area. Centerline Solutions was recognized for growth of 193% over the three year period of 2013-2015, earning the number three ranking among “Flight I” companies with annual revenues in excess of \$52 million.

Earlier this year, Centerline Solutions was also recognized as one of the fastest-growing private companies in the United States [in the 2016 Inc. 5000 list](#). In that ranking, Centerline Solutions was the third-ranked company in Colorado with revenue of at least \$50 million, and placed as one of the top 20 fastest-growing U.S. telecommunications-related companies of any size in the list.

“Our success has been driven by a balance between organic growth and careful acquisitions that extend our geographic reach while still maintaining our company culture. Centerline Solutions is the only company that provides a full set of in-house services for designing, building, modifying and maintaining wireless infrastructure, and that makes us a trusted partner for companies throughout the nation,” said [Ben Little](#), CEO of Centerline Solutions. “All the credit for this growth and for our long list of happy customers goes to our 400+ employees in Colorado, New York, Florida, Hawaii, Washington, Oregon and Arizona. I have the best team in the industry.”
