The President's Message

by Richard Zbin

I would like to welcome all new and existing members to another year of ASHRAE meetings. I first would like to thank all the committee chairs, board members and chapter members who attended this years Chapter's Regional Conference in Evansville, Indiana. The CRC gives all members a voice in Society decisions.

Our chapter was well represented. **Ken Wissner**, Research Promotion Chairman and **Paul Menster**, Chapter Historian were both honored for their achievements. We were unable to bring back the "BIB" award to our chapter; the Columbus Chapter won this award for the second year in a row. This award is a combination of number of committee chairs attending, number of miles traveled and spouses and children attending. We lost by less than 20 points after all points were tallied.

Our social committee is looking for ideas for the December Social and they are willing to hear your thoughts. We would like to make this a family affair if we could.

Finally, since I am also the Regional Vice Chairman for Research Promotion for the next three years, I would like to thank all those involved who continue to support ASHRAE Research. Our chapter received an award for five consecutive years of continued growth in research donations. This is a tough award to win in light of our current economic times. I hope we can continue this trend in the future. Our board also won the Golden Circle award for each Board member contributing at least \$100 or more to ASHRAE Research. We are on track to do this again and I would like to be the first to donate \$100 this year.

See you at the meeting.

Richard Zbin

CHAPTER'S REGIONAL CONFERENCE AWARDS

This year we need to thank our board of governors for an outstanding past year. The is a list of awards the Cleveland ASHRAE chapter received at the Chapters Regional Conference:

Presidential Award of Excellence

President Dan Bacik-

Membership Promotion

Ken Borah-Highest in Region V (Ribbon for awards banner)

Student Activities

Scott Jordan-3rd Place

Chapter Programs

Rick Long-2nd Place

Research Promotion

Ken Wissner-2nd Place

Technical Energy and Government Activities

Brian Chambers-3rd Place

History

Paul Mester-1st Place

Chapter Operations

Dan Bacik-4th Place

Please make sure to thank everyone mentioned above for their time and effort in placing us 2nd at the Chapter's Regional Conference, and for making ASHRAE in Cleveland so special!

ASHRAE DURING THE SUMMER

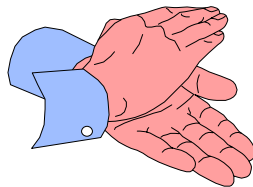

With the football season starting, and the temperature cooling, only one thing can be upon us. You guessed it, a new start to an exciting year of ASHARE. During the off season from our regular monthly meeting some exciting events took place.

The first major event that took place was the membership promotion golf outing at St. Bernard's Country Club. St. Bernard's offered an unusual golf course design that was both challenging and fun. A big round of applause goes to Mark Ludrusky for bringing home the Gardiner cup.

Another major summer event was the chapter golf outing and fundraiser at Columbia Hills Country Club. Columbia Hills offered a beautiful well kept course, with a variety of layouts, and plenty of fairway to lend a hand to high handicap golfers like myself. The big round of applause goes out to Jerry Cohen's foursome, who shot -10 under to beat out the close contending group of Todd Grabowski's.

A big shout of thanks needs to go out to our Golf Outing Coordinator Lou Bentzen and his support staff for all of there hard work on organizing this years golf outings. Lu I think I can speak for everyone when I say great job this summer with the golf outings, and I can not wait to see what you have in store for us next summer. If we are thanking people, then we should not forget the generous hole sponsors of:

Air Control Products
Carrier Direct Sales
Columbia Gas
Craun Liebing, Inc.
Denk Associates, Inc.
First Energy
Fulton & Associates
Gaffney Products
Gardiner Trane
Greenheck Fan
Integrated Control Solutions
Jacco
Pier Associates
