

The days of our Annual Session are very active around the Indianapolis - Plainfield area and we found that many motels and hotels are completely reserved.

Pat Wilson who is on the hospitality team for the program committee has reserved 8 rooms for us at the **Comfort Inn** which is in a **GREAT** location. She has visited the rooms and they met her standards as a place she would be comfortable with her Friends staying.

The Comfort Inn has given us a discount so that you could rent a room with two double beds for \$99.00 a night.

If you choose to reserve a room, you need to make that arrangement soon and you will need to **call Pat Wilson** to get a confirmation number before calling the Comfort Inn.

She can be reached at **317-839-0512**. If you choose to stay at another location, you should reserve your room there soon as well.
