SPECIAL STARS SOCCER CLINIC

Changing children's lives through soccer

The special stars soccer clinic is a 12 weeks non-competitive soccer program for kids with Autism, aged between 7 - 13. Players will learn how to play soccer in an inclusive, safe and friendly environment. Children will work on gross motor skills, participation, social skills and most importantly have fun. Parents are invited to join their child on the field. Your child's coach will also provide physical and social support.

The skills that children will develop:

- * Eye foot coordination
- * Postural control
- * Strength
- * Sensory integration
- * Turn taking
- * Understanding & following verbal commands
