Simard Bilodeau Galerie

This could easily be the biggest art gallery in Southern California, featuring original paintings and limited edition bronze sculptures by some of the best living artists. This gallery is just north of the Festival Of Arts grounds and in a wilderness park. The views are unmatched as you enjoy and own pieces of art from this breathtaking gallery.

Sue Greenwood Fine Art

Established in 2005, Sue Greenwood Fine Art (SGFA) is one of Orange County's highly respected fine art galleries. The gallery space is located along the prestigious North Gallery Row in Laguna Beach, across the street from the Laguna Art Museum. SGFA has a reputation for exhibiting paintings, sculptures and mixed media works with contemporary realism and figurative influences. The gallery represents thirty-five highly refined emerging, mid-career, and established artists who are predominately from the Western region of the United States.

Wyland Studio Gallery

Enjoy the experience of Wyland's beautiful working studio gallery in the heart of Laguna Beach. Wyland's Studio Gallery has the largest selection of originals, limited editions, sculptures and sold out artwork. The gallery is home to Wyland's first "Whaling Wall" mural, located under his studio where he lives and paints. Wyland Galleries continues
