

# Like the Wind

Elisheva Marvin | Eve Marvin

Chorus:

                  D                  G  
You're like the wind that's blowing

                  D                  G  
You're like the wind that's soaring

          A  F#m          G  D  
Wherever I go, wherever I go

          G  A                  D  
Forever, You'll be with me.

Verse 1:

          A  D          G          D  
You're everywhere in control of all things

          A  D          G  A  
Wherever I go, You're leading me

          A          D          G          D  
I know I'm not alone, I feel Your presence here

          A                  D          G          A  
You wrap me in You're hands To keep me safe

Verse 2:

          A                  D          G          D  
The wind blows where it wishes and we hear its sound

          A                  D          G          A  
But we know not where it comes from nor where it goes

          A          D                  G          D  
We abide in You cause You've given us Your Spirit

          A                  D          G          A  
Let us be filled with Your Spirit so You will abide in us
